CASTLE BROMWICH
INFANT AND NURSERY SCHOOL

PLAY. LEARN. GROW.

Pupil Acceptable Use Agreement

Approved by Justin Stokes

Date – November 2026

Reviewed by – Justin Stokes and Hayley Dainty

Review date – November 2028

At Castle Bromwich Infant and Nursery School, pupils are taught how to use technology safely and responsibly. By using school computers, tablets, devices and online resources, pupils are expected to follow the school's Acceptable Use Agreement.

Staff will regularly remind pupils of these expectations through online safety lessons, classroom discussions and when using technology.

If a pupil does not follow these rules, appropriate support, teaching and sanctions may be applied in line with the school's Behaviour Policy.

Acceptance of this agreement is deemed through the use of school ICT systems, devices, networks and internet services. Pupils are taught the expectations outlined in this agreement as part of the school's curriculum and daily practice.

Pupil Acceptable Use Agreement

The computers and internet help us learn exciting new things. These rules help to keep everyone safe.

I Will:

✅ Ask a teacher before using the internet.

✅ Use only my own username and password.

✅ Use computers and tablets for my learning.

✅ Be kind and polite when using technology.

✅ Tell a teacher if I see something that worries me or makes me feel uncomfortable.

✅ Respect other people's work and ideas.

✅ Look after school equipment carefully.

I Will Not:

❌ Go into someone else's files or accounts.

❌ Download anything unless a teacher says I can.

❌ Share my personal information, such as my address, phone number or passwords.

❌ Copy someone else's work and pretend it is mine.

❌ Search for, send or share anything that may upset or hurt others.

❌ Try to get around the school's internet safety filters.

❌ Use technology in a way that could upset other children, staff or the school community.

Important

- My teachers can see and check what I do on school computers and devices.
- The school helps to keep me safe online by monitoring internet use.
- If I accidentally see something inappropriate, I will tell a trusted adult straight away.
- If I do not follow these rules, my use of school technology may be restricted and my parents or carers may be informed.
