

SCHOOL UNIFORM UPDATE FOR SEPTEMBER 2026

We are excited to continue sharing our new school logo.

The design brings together elements that connect us to our local area and its history:

- a castle representing strength and heritage
- a tree with scotch broom reflecting our natural surroundings
- Three children celebrating the diversity and unity of our pupils

At the heart of the logo is our school motto:

**PLAY.
LEARN.
GROW.**

This reflects who we are as a school now and as we move forward:

- **Play** – supporting curiosity and confidence.
- **Learn** – building strong foundations for learning.
- **Grow** – nurturing caring, confident individuals.

You will continue to see the new logo used across school materials over time.

Uniform - What's changing?

From September 2026, we'll be introducing navy blue as our uniform colour.

This change is being made in collaboration with Castle Bromwich Junior School, who will also be moving to navy blue.
