Word Folder

To be used with 5 new words in the START pocket.

- Say each word aloud to the pupil.
- Pupil copies, reading each word to you
- Mix up the word cards
- Do this 5 times

Next

- Take the words out of the START pocket. Show each word to the pupil.
- If the word is read correctly in 2 secs. put the card in the next pocket.
- If the word is incorrect, say the word to the pupil again and they copy. Put the card back in the same pocket.
- Keep going through the cards until the time is up.

When a word leaves pocket 5

- When the pupil has read the word in pocket 5 correctly, put it on the **Words I have learned** sheet.
- Take a new word. Say the word to the pupil. Pupil copies the word. Put it in the START pocket.
- Keep going through the other pockets again, starting at the highest numbered each time.

When the timer has gone

- Leave the cards where they are in the pockets.
- Ask pupil to write the words placed on the "Words I have learned" sheet.
- Colour in the squares on the path(other sheet), for the number of words learnt that day. Use a different colour for each day.

Suggest use a one minute timer.
