

My **School** **Morning**

When I wake up in the morning, it's time to get ready for school.

I brush my teeth, get dressed, and have some breakfast to help me

feel ready for the day.

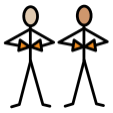

Mummy or Daddy help me get my things together.

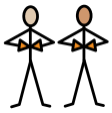

I might take my bag, my water bottle, and my coat.

Then we go to school.

When we get to school, there are lots of children and teachers.

When it's time to go in, my grown-up says goodbye.

I might feel happy, excited, or even a little nervous — and that's

ok.

My teachers will help me feel safe and happy.

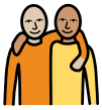

Inside my classroom, there are toys, books, and fun activities.

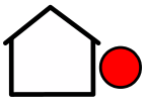

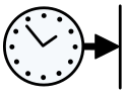

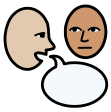

I can play, learn, and make friends.

There's time to have a  snack, time to  play  outside, and time to  do  learning together.

When  school is finished, my  grown-up  comes back to collect me.

  I can tell them all about my  day!

  School is a place where I can  learn  new things,  play with    friends, and have fun every day.
