Year 2 Long Term Planning - yearly overview

This document is to be used as a guide to highlight the learning and focus for each week in maths across the year. Our mastery-based approach allows for this overview to be flexible as we follow the learning of the children. If concepts need more time to be mastered, staff should use their judgement to prioritise these small steps for learning before moving onto new content.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
AUT 1	Settling in week	Number Place value- numbers to 100	Number Place value- numbers to 100	Number Place value- numbers to 100	Number Place value- numbers to 100	Addition and subtraction	Addition and subtraction	
AUT 2	Addition and subtraction	Addition and subtraction	Addition and subtraction	Shape	Shape	Shape	Assessment	
SPR 1	Multiplication and Division	Multiplication and Division	Multiplication and Division	Multiplication and Division	Multiplication and Division	Money	Money	
SPR 2	Money	Money	Length and Height	Length and Height	Mass capacity and Temperature	Mass capacity and Temperature		
SUM 1	Fractions	Fractions	Time	Time	Statistics	Statistics	Position and Direct	
SUM 2	R2P Teaching focused on gaps identified from teacher assessment	R2P Teaching focused on gaps identified from teacher assessment	R2P Teaching focused on gaps identified from teacher assessment	Assessment	Assessment
